

Echt Einsiedler Böhmisches  
is part of our authentic long lasting brewing tradition.  
In 1903, when Einsiedler Brauhaus "Emil Schwalbe"  
turned into Einsiedler Brauhaus AG,  
Echt Einsiedler Böhmisches aka Authentic Einsiedler  
Bohemian, was the first beer  
under the umbrella of "Einsiedler" to be marketed.  
After more than a hundred years of brewing  
we would like to offer you this  
exquisite specialty again.
